Various Scenarios that Business Attempted to Solve All Their **Digital Needs**

If you hire **your own agencies** to solve your digital needs,

Various Problems that Business Faced by Such Decisions

- Faced the challenge of **communicating with various personnels** in different agencies
- Paid for **overlapping values** by various agencies
- **Uncoordinated actions** & unwillingness to cooperate between agencies
- **Cashflow tied up** with packages & deals with various agencies

If you hire **your own in-house digital marketing executive**,

- **Do not have the skillsets, experience & exposures** to solve all your digital needs
- Do not know how to set expectations, expect performance, manage workflow due to **lack of expertise** in the subject field
- Do not know what they need to know

If you hire **and build your own in-house digital team**,

- **High cost to maintain** for handling in-house digital needs
- **Bigger hassle** in dealing with MoM requirements (such as quota, levies, CPF, sick leaves, off-days, MC, employee benefits, & salary calculating)
